Special Meeting

PRESENT: Charles Howell, Chairman
Ben Crouch, Vice Chairman
John Crozier, Commissioner
Jane White, Deputy Clerk

Meeting convened at 9:08 A.M.

BUSINESS AND/OR ADMINISTRATIVE MATTERS

The Board signed an Employee Wage Change form to hire Roger Hardgrave as a detention deputy sheriff.

TIM LARSON—AIRPORT DISCUSSION

Airports Manager Tim Larson was present.

The Commissioners discussed with Larson covering airport duties while he was on a planned vacation out of state in the absence of the airport assistant, who had tendered his resignation.

Larson recommended asking the County assessor, who had hired the outgoing airport assistant, to postpone the date of the new employment.

Commissioner Crouch favored the willingness of airport board members to cover duties. Larson was concerned about duties for which board members had not been trained.

➤ Commissioner Crozier said he would ask the assessor if his new employee could be on call for problems.

➤ The Board asked Larson to prepare a list of necessary duties and how to accomplish them and to post phone numbers for use in his absence.

In other airport business, Larson said the mower at the Jerome Airport was functional and that he was doing performance tests with a tractor before the County determines whether to purchase it.

Commissioner Howell updated the Board on the process to buy additional property at the Fairgrounds.

Meeting adjourned at 10 A.M.

The Commissioners then participated virtually in a DIGB (District Interoperability Governance Board) meeting.
